

Anderson Township Studio Project

Alan Weinstein and David Hartt joined Joe Rickman, Duane Laska and Patty Herbin for a meeting in the University of Cincinnati's College of Design, Art, Architecture and Design with the planning students participating in the Anderson Township Studio Project. The studio is being coordinated by Menelaos Triantafyllou, Associate Professor, UC's School of Planning. The students presented their initial work and discussed the next steps leading up to the presentation of the Studio Project during the 2009 National Signage Research and Education Conference scheduled for October 13-15, 2009 at the Kingsgate Marriott in Cincinnati. Alan Weinstein and David Hartt started the major elements of [A Framework for On-Premise Sign Regulations](#)—a model sign code recently developed by Mr. Weinstein and Mr. Hartt.
